MASTER ASMR STORY GENERATION PROMPT:

Instructions for AI:

Generate a professional ASMR-style short story based on the scenario provided. The story should:

- Focus entirely on **environmental sounds, ambient noises, and actions**.
- Exclude dialogue, narration, or background music.
- Include all subtle sounds that would enhance ASMR immersion: footsteps, rain hitting surfaces, water pouring, rustling, chopping, pouring, sizzling, etc.
- Describe actions in **sequential, cinematic detail**, highlighting tactile sensations and natural interactions.
- Capture **emotional and visual atmosphere** through actions and surroundings.
- Maintain smooth pacing from start to finish, covering setup, activity, and closure.

Story Setting Template (to be replaced with your story elements):

1. **Arrival Scene:**

- Describe the vehicle (e.g., white-green jeep with vintage camper trailer) moving on unpaved jungle roads in the rain.
- Include rain sounds hitting metal, tires on mud, splashes of water, and ambient jungle sounds.
- Note the characters inside the vehicle (young woman driving, daughter, dog).

2. **Camping Setup:**

- Mother spots a camping spot and stops the vehicle.

- She pulls rainwater from the camper roof (dripping sounds), unlocks the camper trailer, and begins setting up the campsite.
- Include sounds of hammering nails into the soil, unfurling the camp carpet, adjusting small items.

3. Child & Dog Interaction:

- Daughter and dog play in puddles, splashing and running.
- Capture laughter and splashing water in ASMR style.
- Mother dries the dog (rustling of towel/fabric, patting sounds) and leads them into the camper.

4. Indoor Camping Routine:

- Describe turning on the gas stove, placing the teapot, water boiling (bubbling, hissing).
- Pouring tea into cups, sipping sounds.
- Looking out the window while observing rain outside.

5. Cooking Sequence:

- Opening the refrigerator, taking out vegetables (rustle of fridge, clink of containers).
- Washing vegetables (water running, droplets splashing).
- Pouring oil into a pan, chopping tomatoes and onions, sizzling oil (crackling sounds).
- Adding other ingredients, meat, salt, seasonings (tactile sounds, chopping, mixing).
- Plating food carefully, arranging dishes on the table.

6. Eating & Closing Scene:

- Sitting at the table, eating sounds (chewing, subtle utensil noises).

- Daughter enjoying her food visibly; dog sleeping peacefully under the table (soft breathing, fur rustling).
- Preparing the bed, quiet rustling of blankets, settling in, and ambient night sounds as they sleep.

Additional Instructions:

- Always maintain **cinematic descriptive style**.
- Highlight **textures, tactile motions, and ASMR sensory details**.
- Ensure **continuity** of actions and surroundings.
- Keep it suitable for a **calm, immersive ASMR experience**.

short, clean, consistent character descriptions written as **prompt-ready profiles**, each explicitly styled for **Ghibli-style visuals** and suitable for reuse in image/video generation workflows.

1) Young Woman — Mother Character (Ghibli Style Prompt)

A young woman in Ghibli animation style, warm and gentle with soft expressive eyes and a calm smile. She has shoulder-length dark brown hair tied loosely, slightly wavy from the rain. She wears a cozy forest-green jacket, light beige sweater, and simple boots, giving her a practical yet charming outdoor look. Her face is kind and nurturing, with soft rounded features and a peaceful presence. Her movements are calm, careful, and loving, radiating a quiet strength and warmth.

2) Daughter — Child Character (Ghibli Style Prompt)

A little girl in Ghibli animation style with big sparkling eyes and rosy cheeks. She has short black hair with a tiny side ponytail and wears a yellow raincoat, striped shirt, and small boots. Her face is full of curiosity and joy, always smiling or laughing. She moves with playful energy, clapping, jumping, and running through puddles. Her personality is cheerful, innocent, and full of wonder.

3) Dog — Companion Character (Ghibli Style Prompt)

A small fluffy dog in Ghibli animation style with soft cream-colored fur, round black eyes, and a tiny pink tongue that peeks out when excited. Its ears flop gently when it runs, and its tail wags

constantly. The dog is playful, loyal, and affectionate, always following the mother and daughter closely, reacting happily to food, cuddles, and forest adventures.
